

ADSEAL WET WIPES
UNIVERSAL CLEANING WIPES**DESCRIPTION**

Effortlessly and thoroughly and gently removes the heaviest dirt from surfaces, hands and objects. One side of the cloth with abrasive friction bodies for very heavy soiling, one side with soft material for gentle cleaning of sensitive surfaces. Does not contain any allergenic raw materials or solvents, completely label-free and therefore very suitable for use on the skin. Removes oil, grease, fresh paint, fresh adhesive and polyurethane and tar.

COMPOSITION

< 5 % non ionic surfactants

Contains a vegetable-based ester fluid used as an alternative to orange terpenes

USAGE

Open bucket by removing the lid and pull first wipe from the middle of the roll through the center opening of the lid. Close the lid. Pull wipe from the top of the bucket through the lid and detach wipe by wipe. Use rough side of the wipe for heavy soiling and soft side for sensitive surfaces. Rub the wipe on the soiling until it is gone. Light pressure helps to accelerate the process.

SAFETY INSTRUCTIONS

Safety Data Sheet (SDS) available on request.

Wear protective gloves which are tested according to EN 374.

TRANSPORT

When transporting it, make sure that the container is well closed. If necessary, transport in an outer box.

SHELF LIFE AND STORAGE
